Lord of the Rings Tour

Twizel

No LOTR experience necessary!

This trip is enjoyable even if you haven't read the books or seen the movie. Discover techniques used to film key scenes and discover what scenes use live action filming, computer generated animation or a combination of both – you might be surprised!

All you need is your camera.

Recommendations

"Beautiful day on the Pelennor fields with an excellent guide who was funny, knowledgeable and friendly." Iain USA

"This has been an absolutely fantastic tour, so much information from a great guide. We couldn't recommend it more." Michael UK

"We were in doubt whether to take the tour, but afterwards we were glad we did it." Bandana Pete, USA.

"I couldn't recommend this tour enough. My girlfriend hates LOTR and she loved it too." Sean Ireland.

Are you interested in movie making?

Stand in the footsteps of the actors. The location is on private land and is not open to the public. Get the **best photos** or video by being **on location** with 360 degree views over the Pelennor Battlefield and the White Mountains.

Have fun and **feel like an actor** by handling replica LOTR swords, helmets, flags and masks, perfect for that **unique video or photo** for your holiday album.

Experience the speed of the Rohan charge as we drive down the **specially built film road**.

You have **friendly personal service** due to our small guide to client ratios. Group and school tours can be arranged.

Pricing and departure information
